RS Vision: We are Women Disciples of Jesus Christ

DEAR RS PRESIDENCIES,

Elder Eyring “urges us to find ways to recognize and remember God’s kindness.”

Recently, I was reminded of how easy it is to forget feelings, experiences and events. I had a conversation with a friend where we were reminiscing about our summer days as a child. My memory was blank, I could hardly REMEMBER what I did in the summer growing up.

We have so many tools to help us REMEMBER God and his kindness.

One way that Elder Eyring REMEMBERS Gods kindness is reflecting on the question, “Have I seen the hand of God reaching out to touch us, our children, our family or friends today?”

Heavenly Father is involved in our life more than we know. He is reaching out to help, comfort, and guide us through mortality. I hope that you will reflect, ponder and REMEMBER how God is reaching out to you. He loves you.

As we REMEMBER him, our testimony will be strengthened and grow. We will think of him, act like him and love like him. When we frequently REMEMBER experiences, feelings and events where we have seen and felt God’s kindness, we will become stronger women disciples of Christ!

Love,

Allison Sine

MP Stake RS First Counselor

COUNSELING IN RELIEF SOCIETY MEETINGS

Our Relief Society General President Camille N. Johnson recently gave women around the world a gentle nudge to counsel at the beginning of Relief Society meetings. The article below and the links inside the article might give your presidency some ideas for success.

Sister Kristin M. Yee said, " Heavenly Father meant so much more for His daughters in this space. We are meant to counsel together and to receive the revelation that is scattered among each of us to help one another. There is a reason we're all in that same geographical space. He knew the problems we would face, and He knows the spiritual and temporal resources that are within our own Relief Societies."

As a stake Relief Society presidency, we understand that many of your presidencies have tried counseling with varying degrees of comfort. Counseling has the potential to be messy and even offend some, but think of Adam and Eve. If they had remained in the Garden of Eden, they would have remained in the same state forever. "Having no joy, for they knew no misery." Counseling has the potential to unleash joy among our sisterhood!

WOMEN OF FAITH

The Wasatch Hills Relief Society Presidency has been reorganized. President **Sharon Barton**, first counselor **Katie Moore**, and second counselor **Kaitlin Holton** were recently released. We appreciate all of their hard work and hope they know how much we value their ministering!

We extend a warm welcome to our new Wasatch Hills Relief Society President, **Pam Park** who has recently been serving in the Primary, first counselor **Cynthia Steadman**, second counselor **Bonnie Fernelius** and **Lauren Reid** as an additional assistant secretary.

We want to send a special thank you to secretary **Laura Sanders** and assistant secretary **Cheryl Wiesenberg Milstein** for continuing in the presidency. Their experience will provide wonderful cohesion in the transition.

WARD HISTORIES

"D&C 67:3 "Continue in writing and making a history of all the important things. . ."

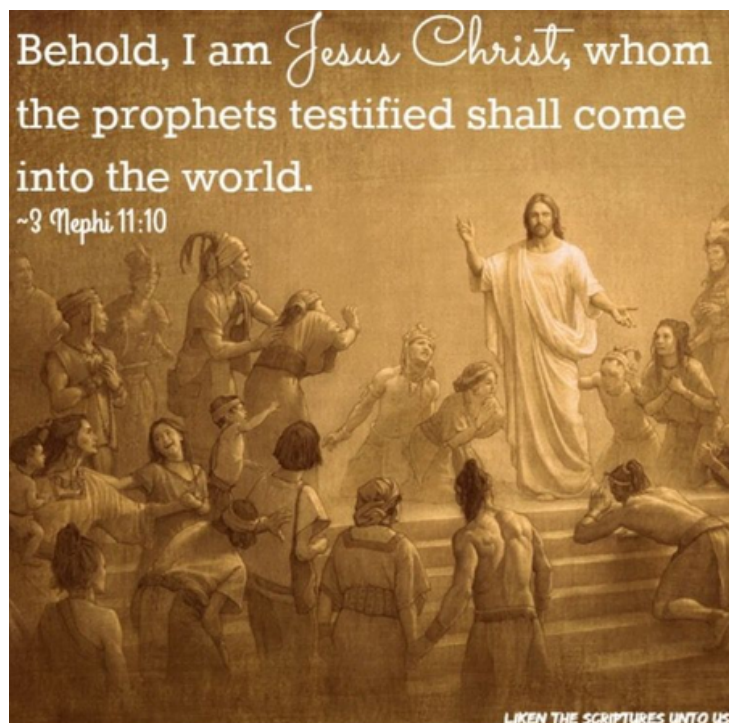

Remember to update your ward Relief Society histories periodically throughout the year instead of all at once at the end of the year. You might even choose to just upload one of your newsletters now and then. They can provide a glimpse into each ward's Relief Society history!

BOOK OF MORMON CORNER

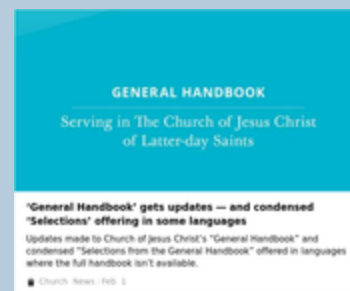

What is your favorite thing about Christ in the Book of Mormon?

2 Ne. 25:23 "For we labor diligently to write, to persuade our children, and also our brethren, to believe in Christ, and to be reconciled to God; for we know that it is by grace that we are saved, after all we can do."
