RS Vision: We are Women Disciples of Jesus Christ

DEAR RS PRESIDENCIES,

As the last bit of snow melts off the stunning green mountains, we think of the change that is taking place as a new season begins. We have been blessed with an abundance of moisture this year so that the mountains could BECOME so green.

As women, we are striving to BECOME true disciples of Jesus Christ. Elder Dallin H. Oaks said: "It is not even enough to be convinced of the gospel; we must act so that we are converted by it..... the gospel of Jesus Christ challenges us to BECOME something."

What power, strength and peace we have to know that through our Savior, Jesus Christ we can "BECOME something". With this knowledge, we can make small consistent changes and BECOME better. As we strive to BECOME like him, we can show and help others along the way.

Elder Ardurn said, "Each of us can be the one who can make a difference for good in the life of someone. It was just one lad, a mere boy who offered the five loaves and two fishes that fed the five thousand. We may ask of our offering, as Andrew the disciple did of the loaves and fishes, "What are they among so many?" (John 6:9). I assure you: it is sufficient to give or to do what you are able and then to allow Christ to magnify your effort."

We are grateful for all that you do, seen and unseen to help the sisters around you to "BECOME something", a disciple of Christ.

We pray that you feel our love and support. But more importantly, that you feel our Savior's love and support for you through all the seasons of life as we strive to BECOME, disciples of Christ.

Much Love,
Lisa, Allison, Amy, Jill & Florence

HANDBOOK MOMENT

What do you do with worn-out temple garments?

GH 38.5.7 says "members should cut out and destroy the marks. Members then cut up the remaining fabric so it cannot be identified as a garment. The remaining cloth can be discarded."

What do you do with old ceremonial clothing?

GH 38.5.7 reminds us not to give "ceremonial temple clothing to thrift stores, bishops' storehouses, temples, or charities." Instead, "cut it up so the original use cannot be recognized. The cloth should then be discarded. Members may give garments and temple clothing that are in good condition to other endowed members."

NEW: MANAGING LOCAL MEETING BROADCASTS ON GOSPEL STREAM AND BROADCASTS.CHURCHOFJESUSCHRIST.ORG

Leaders can now create secure links for viewing ward or stake meeting broadcasts through the [Gospel Stream](#) mobile app and online at broadcasts.ChurchofJesusChrist.org. This feature is enabled through your Church-provided Zoom account.

These links adhere to local and Churchwide privacy guidelines and allow easy management of ad-free broadcasts accessible to all ward or stake members or specific individuals in or outside your unit.

WELFARE RESOURCES: HOW TO ORDER FOOD, SUPPLIES, AND OTHER ITEMS

Many of you are probably already familiar with food orders. But periodically, Relief Society presidents have questions about where to find food order forms etc. online. Typically, bishops and Relief Society presidents work together on these orders. Please talk to your bishop if you struggle with online access. He can help.

We have included a link to the Welfare Resources spot on the Church website for your convenience.
