Upcoming Calendar Items and Announcements

Stake Float Update (*Flyer Attached*)

The construction has begun on our 24th of July parade float! We have an extremely dedicated and talented float committee. The design is amazing and connects solidly to the theme "We Grow Pioneer Strong Doing Things Together." Many wards have already contributed significantly to building the float. Many more hours of volunteer help will be needed. The float project itself has brought people together, provided opportunities for service, and created new friendships.

As you meet in your organizations and quorums, please share the excitement of participating in this creation together. The attached MPParadeFoat25...has announcements, design pictures, and photos of workers and the float. This will be updated as we progress.

Gathering Israel on Both Sides of the Veil – Temple Workers Needed

In the previous General Conference, President Nelson spoke of how the temple spiritually empowers us to meet life’s challenges. Those who serve and worship in temples can:

Expect to receive answers to prayer, personal revelation, greater faith, strength, comfort, increased knowledge, and increased power.

“Regular temple worship will enhance the way you see yourself and how you fit into God’s magnificent plan.”

“Nothing will protect you more as you encounter the world’s mists of darkness. Nothing will bolster your testimony of the Lord Jesus Christ and His Atonement or help you understand God’s magnificent plan more. Nothing will soothe your spirit more during times of pain. Nothing will open the heavens more. Nothing!”

The Stake Presidency invites you to prayerfully consider serving as a temple ordinance worker. The Jordan River Temple is in significant need of male temple workers. Thank you to all who have responded to this request or are participating through your personal temple service.
